Codes & Zoning Department

Affidavit of Understanding

Regarding Existing Septic Systems & Inspection Letters Without Number of Bedroom
Approval

This form is to be signed by the home or property owner ONLY.

I (home/property owner) Catherine Chomicki do hereby certify that I am constructing a deck at 2383 Sugar Flat Road Lebanon TN 37087. I am aware of where my primary and secondary soils areas, septic tank, septic lines, and/or curtain drain lines are located, and I will NOT hold the Wilson County Building Inspectors Office responsible if any septic problems occur. Additionally, I will not hold the Wilson County Building Inspectors Office responsible if I encounter any septic issues regarding building a single-family dwelling or an addition without the number of bedroom approval. I understand that it is my responsibility to contact the State of Tennessee Department of Environment & Conservation at (615) 443-2784 if I have any questions regarding the location of the septic tank and field lines on my property, and/or if any problems concerning my septic system occurs.

Property/Home Owner Name (please print): Catherine Chomicki
