Created For: Mr. and Mrs. Taubman

Contract Reference # 90239 *RL*

project | specifications

A unique and beautifully designed outdoor living space for the Taubman's to enjoy with friends and family. Archadeck carefully considered not only the function of the space but how the structure will co-exist with the many different design elements of the current residence and surrounding landscape.

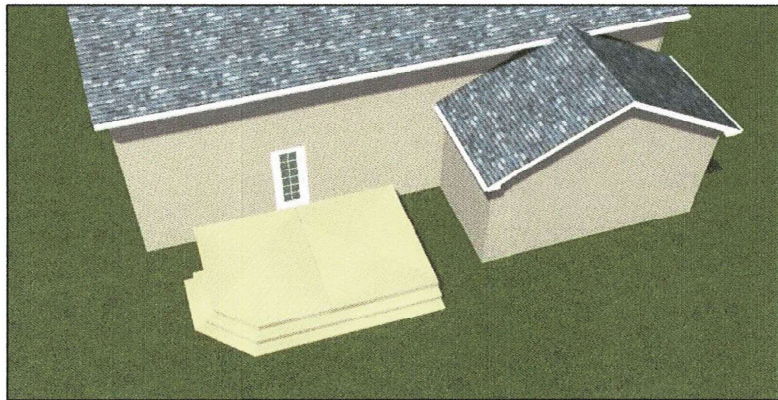

Included in Proposal

- Archadeck replace existing deck with new 12x20 premium pressure treated deck. Deck to have wrap around stairs and skirting.
